

Feedback for the document "What is Archives at NCBS?"

For my PhD it is good if I get feedback for my work to prove that I was worth the money, so it would be great if you could answer a couple of questions and, if you feel like it, leave any extra comments. Nothing too detailed. Spelling mistakes allowed.

I'll keep everything anonymous

1. The concept of the two identities of Archives at NCBS, *the public archive* and *the knowledge hub*, living under one roof aligns with my own experience of working in the archives
