

A look into Oral History at the National Trust - Pre Workshop

As part of my research it would be useful to know what knowledge you have of oral history at the Trust prior to the workshop. The majority of questions are open ended so you can write as much or as little as you wish. I will also send another questionnaire round after the workshop.

1. Why were you interested in taking part in this workshop?

2. To the best of your knowledge, could you give me a brief description of what you believe oral history is? (This is not a test, don't worry)

3. Have you ever set up, led, or contributed in anyway to an oral history recording or oral history project?

Mark only one oval.

☐ Yes

☐ No

4.

If you answered yes to the previous question, please give more information about the experience in the box below.

5.

Were you aware of the existence of the collection of oral history recordings related to the National Trust at The British Library?

Mark only one oval.

- ☐ Not at all
- ☐ Vaguely
- ☐ Yes
- ☐ I have used the collection
- ☐ I have contributed to the collection

6. If you have used or contributed to the collection at the British Library could you please elaborate?
