

Hamied Foundation UK-India AMR Visiting Professorships

 The **Academy of
Medical Sciences**

Do you want to strengthen the UK's
research links with India to jointly address
the challenge of antimicrobial resistance?

Yusuf & Farida Hamied
Foundation

These Visiting Professorships will support the travel and subsistence costs of UK based researchers wishing to visit India to develop long-term research collaborations in the highly-important area of antimicrobial resistance (AMR).

The activities funded through these professorships will strengthen UK-India links to share knowledge, foster research collaborations and increase awareness of AMR.

For more information about the scheme, and for details of how to apply, visit our website www.acmedsci.ac.uk/AMR-professorships or email AMR@acmedsci.ac.uk
