

CAFE EXPLORER

A 25-MINUTE WALK AROUND EXHIBITION PARK

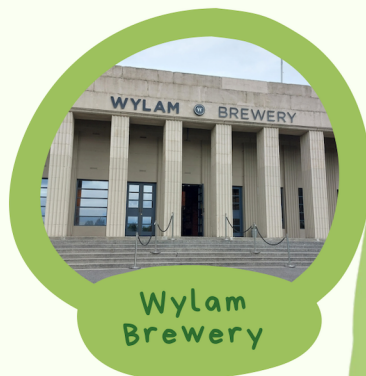

Just a few minutes from both the city centre and from student accommodation in Jesmond and Park View

Distance: 1.8km

Terrain: Tarmac paths (steep gradient at start/end)

Facilities: Cafe, brewery, tennis courts, playground, sensory garden, bandstand, picnicking spots

Route: Start at the gates to Exhibition Park at the junction between Claremont Road and Queen Victoria Road. Follow the road under the bridge and up the bank on the other side. Walk along the main path heading towards the lake - you should be able to see the brewery in the distance. Loop clockwise around the lake and past the front of the brewery. Turn left after the brewery to detour round the bowling green and visit the Freeman's Clock. Returning to the lakeside, carry straight on the path that leaves the lake and turn right. You should pass a water feature, musical steps, the sensory garden and some fitness equipment. There is a cafe on your right which is worth a visit. Carry on to the bandstand and turn right to loop back to the start.

Wylam Brewery

Exhibition Park Lake

Alternative start from Jesmond underpass

Victorian Bandstand

Urban Green Café
